

In 1997 Staci and her family moved from Page, Arizona to Orland, California to start farming a 30-acre Pistachio orchard.

Since purchasing the orchard 1997, she has been a hands on owner and operator of the family's orchard. Which includes all aspects of farming and harvesting Pistachios. For twelve years Staci served as the Executive Director of the Glenn County Farm Bureau and for the past 8 years has served as a 42nd District Agriculture Association Board Member. Along with growing pistachio's she is also an Insurance Agent specializing in Farm and Crop Insurance.

Staci's love of farming pistachios has energized her passion to learn more about the Pistachio Industry. With the continuing increases in regulatory requirements within the agricultural industry it has become necessary to become an active and participating member. It is her goal to help keep (Pistachio's) agriculture profitable for future generations.
